

McMahon School News

*Ensuring Student Academic and Civic Success
Spring 2018*

Note from the Principal...

The snow has melted, the mud is nearly dry and its almost tee shirt weather! With our last vacation behind us we are in the homestretch of the 2017-2018 school year. Our last student day is Thursday June 21st. The McMahon School Leadership Team, made up of administrators, teachers, parents and community members, charged with working collaboratively to move the school forward is currently developing a process for creating next year's class lists. Our goal is to ensure that all students and teachers are set up for a year of learning success. The administration team will be assigning teachers to students. While we are not taking requests for specific teachers, parents are welcome to share qualities of a classroom that would work best for their child with administration.

PTO NEWS

We hope you joined us for some fun this spring! We had a great time at our first Movie Night, The Green Dance and skating at the Rollodrome! Many thanks to our PTO Volunteers for making this possible.

Next up is Teachers & Staff Appreciation Week May 7-11. Come to our PTO Meeting on 5/2 at 6:00 to help us plan!

Mark Your Calendar

- 6/21 Last Day of School

McMahon School Cares

The students of McMahon School have the biggest hearts. In recent months McMahon students have stocked our Food Pantry through a canned food drive, raised money for a McMahon family affected by a house fire, wore Jeans for Genes in support of Rare Genes Day and the A-T Children's Project, wore blue to raise Autism awareness and wore 'Jerseys for Humboldt' to support the Humboldt Broncos community during their loss. These kids are caring, have empathy and are dedicated to their community. We are so proud!

6th Graders Wearing "Jerseys for Humboldt"

Takin' Care of Business

Arrival Procedures: Help! With the weather warming up we have seen an increasing number of students dropped off at school too early. School opens and staff begin their work day at 8:25. No students should be dropped off prior to this time. Parents are welcome to wait with their children in the car loop or at the front entrance but students may not be left unsupervised. This also goes for student walking to school. The only exception is students in grades K-3 who are eating breakfast at school, they may arrive at 8:10. We have a small number of staff who come in early to supervise breakfast.

Parking: When coming to McMahon School for a visit or event, if parking on the street please park **ONLY** on the school-side of the street to avoid neighborhood congestion. For events, you can also park on the road around the back of the school. For quick pick-ups the circle is available but for events the circle will be reserved for handicapped parking. Additional parking spaces in the back of the school are in next year's budget!
